

Promoting Art Glass to the World

Art Glass in Art Class 2011!

Florida Michigan
Kentucky
New York Wisconsin

Help spread the word about Art Glass! Join the Art Glass Association in their 4th consecutive year of sharing the magic of glass art with art teachers around the country. Your advertising dollars spent with the AGA buys you access to art teachers in **FIVE** states. This year we are travelling to **Florida, Kentucky, Michigan, New York and Wisconsin.**

So what exactly are we doing? We are:

- ...Introducing the beauty and breadth of glass arts with live demonstrations of stained glass, fusing, and mosaics.
- ...Teaching full day and 1-2 hour workshops in various aspects of art glass
- ...Utilizing Make-it-Take-it projects in our expo booths to support the structured workshops and provide additional opportunities to experience glass
- ...Providing information for starting an Art Glass curriculum in the classroom
- ...Connecting AGA affiliated businesses and teachers with their local schools to provide ongoing support and products
- ...Promoting our success to generate more interest and keep the momentum going!

Art Glass in Art Class SPONSORSHIP FORM

We Need YOU!

This program is continuing to be so successful due to three things:

- 1) Exceptional volunteers 2) Monetary support 3) Manufacturer donations

We anticipate reaching a total audience of over 3,000 educators. To make this happen—and promote your business to this exceedingly interested art community—we need your help. Most importantly, we need monetary donations. The total 2011 campaign is going to cost close to \$7,000 which includes no money for staffing (they are all volunteers).

Join this group of supporting manufacturers who repeatedly sponsor this successful campaign.
