**CKE PUBLICATIONS ANNOUNCES THE
RELEASE OF A NEW BOOK OF STAINED GLASS
PATTERNS FOR MUSICAL INSTRUMENTS**

Olympia, Washington, October 13, 2006

CKE Publications has just released "Stained Glass Music," a new book of stained glass patterns for musical instruments by Arizona glass artist, Bob Schneider.

"Stained Glass Music" contains 20 patterns for creating musical instruments of all shapes and sizes. Included are many orchestra and band instruments, such as flutes, saxophones, trumpets, clarinets, violins and trombones. It also contains patterns for other favorites, such as electric guitars and drum sets. Through careful selection of stained glass and detailed overlay work, these instruments are beautiful and very realistic. They make a stunning decorative accent for any home décor.

Bob Schneider has authored two other books of glass designs, "A Dog Show in Stained Glass," and "A Dog Show in Stained Glass Too." "Stained Glass Music" is available at art glass stores nationwide.
