Local Stained Glass Supply Manufacture Announces New Class Schedule  
Learn How to Create Faceted Dichroic Glass Sculptures With Master  
Beveler Kent Lauer

There's just something magical about the way sunlight is transformed into rainbows of color when it passes through faceted glass. Now almost anyone who can hold a pen can learn to create a unique and beautiful glass sculpture. At Glastar there are a variety of classes in beveling, sandblasting, gold leafing and more.

The fall schedule includes:

Beginning Glass Sculpture - November 5 & 6 from 9:00 am to 5:00 PM

Kent Lauer has over 25 years experience teaching glass art. Lauer has created large and small-scale works for residential and commercial buildings throughout the world.

Join Master Beveler Kent Lauer in this brand new class creating beautiful faceted dichroic glass sculptures! The class will cover all aspects faceted glass sculpture including cutting, laminating, beveling, grinding and polishing. Students will complete two or more projects. This class has never before been offered, so be among the first to learn a new and exciting glass art form.

Glaster is located at 20721 Marilla Street in Chatsworth, California 91311. Glaster is open Monday - Friday from 8:00 am to 4:30 PM. For more information call (800) 423-5635 or visit us on the web at [www.glastar.com](http://www.glastar.com).
